

Below is our T&T AWANA pacing guide for the **second half of the year along with the special events for the day**. Notice on some days we are doubling up on sections in order to finish the book by the end of the year. They are the sections at the end of the unit because those sections are a review of the memory verses from that unit. Please do not go ahead. Your leader has a devotional/bible lesson to go with the section each night. If you are going to be gone for a week, you can let your leader know and they will accommodate that. If you have any questions, feel free to ask your child's leader, or call/text me at 775-303-5546 or email at willrun4adonut@yahoo.com.
